

Office Memorandum • UNITED STATES GOVERNMENT

TO : Operations Officer, NPIC

DATE: 2 March 1962

STATINTL FROM : Chief, Technical Plans & Development Staff

SUBJECT: [] Paper on Water Pollution Analysis

STATINTL

1. It's very ambitious and interesting.

STATINTL

2. [] should check with [] as they are building a multi-bandwidth camera (eight lenses) for project [] would be the point of contact.

STATINTL

3. I'd like to see how all this turns out.

STATINTL
